

**CHRISTMAS GREETINGS:**  
**DECEMBER 2006**

We are pleased that PERCEIVE has now recruited over 2000 patients with 8 sites actively recruiting.

We would like to take this opportunity to wish you all Merry Christmas and a prosperous New Year! We would also like to say thank you for all the hard work everybody at all the sites.

The upgrading of the data entry system is Underway and the Change over is scheduled for the weekend of the 6<sup>th</sup> January 2007. The new version essentially looks and behaves in the same way as current system it will not require additional training but to demonstrate the new features please contact Marie-Claire to schedule a time on the 9<sup>th</sup> January. We will also be emailing out a new Instruction manual and a summary description of the changes

Our thanks to you all again for the achieved recruitment rates, which we are hoping will improve further once the new centres are fully up and running.

Best Wishes

The Core Center Team
